BILLINGS' Rheumatic Pills AND

LINIMENT.

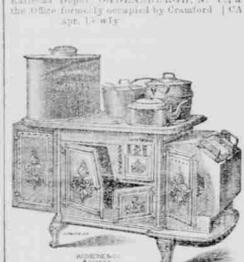

- has at length perfected and prepared been remedies, and offers them to the afflicted, confion that they will always prove safe, effectual, and harmiess to the constitution. That such is their character is imply attested by the universit success with which they have been employed. They cure Rheuma cont, Good, and Neuralviz. The Limment alone would not cure those diseases. The Pills need to be taken internally, the Lemment to be applied externally, and hips used rempositly they exert a genuine curative ower. Rhesonatism is too intimately connected with the Laver and other outernal organs to be reached sole by through the medium of the skin. These Pills are sentiarly searching in their effect upon the Liver. They contain no Mercury, Potash, Quinine, Morphine, r any of times musclinevens medicines which are to ten then wed in the treatment of Rheumatism. PECTORAL CATHARTIC CATERBE complaining? Are you out of order, with your system de-ranged, and your feelings un-comfortable? These symp-

cons are often the prelinds is serious illness. Some fit of sickness is eneping upon you, not should be averted by a imply use of the right rem-ity. Take Ayer's Phils, and leanse out the disordered has the purify the blood of the disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. ducing general aggravation, suffering, and discuss. While in this condition, appressed by the derangements, take Aver's Pilis, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep sated and dangerous distempers. The same puretive effect expels them. Caused by similar obstructions and derangements of the natural functions of the lody, they are rapidly, and many of them surely, excelly the same means. None who know the virtues of these Pills, will meghet to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.
